

The Pennsylvania EMS Provider Foundation (Foundation) is very pleased to announce the sixth annual call for grant applications.

The Grant: The grant will be awarded to an individual EMT or EMTs who would like to further their education and become Paramedics. The deadline for grant applications is the close of business on February 16, 2015.

The recipient must have at least three (3) years experience as a certified EMT and been employed (either paid or volunteer) by a PA licensed EMS agency or has been guaranteed an offer of a position with a PA licensed EMS agency following completion of the education program for which the grant was provided.

The amount of the grant will be determined by the Foundation Board of Directors and the recommendation of the Application Review Committee.

For more information, please see the application, instructions and general information which can be found on the Ambulance Association of Pennsylvania's website under What's New or select this link <http://www.aa-pa.org/main/new.asp>. You can also contact Heather at executivedirector@aa-pa.org or 1-888-262-9121.

Founded in 2007, the Foundation was created to serve the Pennsylvania emergency medical services community, to ensure public confidence in emergency medical services, to develop the next generation of emergency medical services providers, educate the public of their services and generally to further the cause of Pennsylvania emergency medical services through education, outreach and philanthropy. The Foundation will support the welfare of Pennsylvania emergency medical services providers and will serve other proper functions of a charitable, public foundation as needed.

Please share this information with your all of your colleagues.

Please do not reply to this email, this address is for outgoing messages only. If you have any questions or comments, please email Heather directly at executivedirector@aa-pa.org.
